SUMMARY

I'm an aspiring Full Stack Web Developer with a background in project work & implementation of new technology. I enjoy having my own responsibility but to also be part of bigger projects & to work alongside like-minded individuals. I have recently taken a career break and used the time to complete 6 month full stack bootcamp with the University of Birmingham.

TECHNICAL SKILLS

JavaScript ES6+, CSS3, HTML5, Node, Bootstrap, GitHub SQL, NoSQL, MongoDB, MySQL, Express, React, Material UI, Handlebars, Heroku

RECENT PROJECTS

SPA RETREAT

GITHUB REPOSITORY: [HTTPS://GITHUB.COM/ALICEBRYER/SPA-RETREAT-PROJECT](https://github.com/AliceBryer/SPA-RETREAT-PROJECT)

DEPLOYED LINK: <https://spa-retreat-app.herokuapp.com/>

ABOUT: A MERN stack application with a simplistic and easy to navigate design based on our fake spa. This group project was created using react, which we had learnt two weeks prior in the course.

REACT PORTFOLIO

DEPLOYED LINK: <https://alicebryer.github.io/react-portfolio-alice-bryer/>

ABOUT: My react portfolio was designed to showcase my skills and my recent work. we had to deliver an mvp in 1 week and although its basic, I will be working on it over time and improving my skills.

WEATHER DASHBOARD

GITHUB REPOSITORY: [HTTPS://GITHUB.COM/ALICEBRYER/WEATHER-DASHBOARD](https://github.com/AliceBryer/WEATHER-DASHBOARD)

DEPLOYED LINK: <https://alicebryer.github.io/Weather-dashboard/>

ABOUT: An application using local storage and uses an API to retrieve current and future weather data for the USER'S chosen city. This was created solely, just 6 weeks into my coding course.

EDUCATION

Boot Camp Certificate (Pass) : University of Birmingham, UK

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, NodeJS, MySQL, MongoDB, Express, HandelbarsJS, and ReactJS.

EXPERIENCE

Implementation Manager

July 2019 – February 2022

Greene King

Field Based

In this role, it was my duty to help aid the transition of new technology into our pubs. This role included working with the pubs teams, pub managers & customers as well as returning critical and constructive feedback to our wider team to support the project rollout.

Key Accomplishments:

- Being offered a team leader role
- Winning the 'we care' company value
- Participating in multi-million pound projects and having my voice heard

Various Roles

March 2015 – June 2019

Greene King

During this time period with Greene King I had various roles & responsibilities. I started as a team member, then team leader and onto assistant manager of a venue taking £35,000 net per week on average. During my time as an assistant manager I also did some relief work including holding a pub for 8 weeks.

Key Accomplishments:

- Being given the role of the Christmas champion 3 years running
- Being part of a new-build pub & help build its reputation from nothing to an established business
- Consistently learning & taking on new responsibility - I found there was always something new I could learn.
